

Celebrate Earth Day St. Peter in Chains School

Dear Parents,

Earth Day is right around the corner, April 22, and the families of St. Peter in Chains would like to do our part in helping everyone to be conscious of our environment and encourage others to reduce, recycle and reuse in 2011!

In our efforts to support both going green and our school, we partnered with Brown to Earth Bag Co. to create our very own SPS reusable bags. These bags are just \$3.00 and can be used to carry groceries, toys, magazines/books and clothes.

The bag is shown above. To order, please submit the form below.

Thank you for your help in saving our planet and supporting our school!

Kind regards,
The PTO committee
